Agenda

- **Total Force Vaccination Proposal**
- **JEV**
- **Sourcing**
- **Questions**

Sourcing

OIF-3 used non Service specific level-3 CSS

“...we must integrate joint standards, doctrine and operations through jointly coordinated, comprehensively planned, and mutually supportive medical operations. Then we must make innovative changes in medical capabilities , doctrine, organizations and training.”

- Dr. Wolfowitz

Expect OIF-4 to have non Service specific level-3 CSS

- Demonstrates the need for Global Force Management
